

Trucks and panel vans

Royal Transport can offer a variety of trucks. The majority are closed trucks with a full lateral opening and lift. We have panel vans and trucks for local and inland transport. The cars are also used for express deliveries over the whole country. We also have bogie trailers that can pull. These have usually a cargo plan at 6.5 meters and have 14 ton cargo capacity.

MB Actros 2548 - Truck

Int. nr.:	031	Volume:	L: 10,8 W: 2,5 H: 3,9
Reg. nr.:	SV 65691	DGM:	Cargo and class 7
Car:	Mercedes Actros 2548	Crane:	No
Cargo, weight:	14,0 ton	Lift:	No
Cargo, measure:	L: 7,9 W: 2,5	Extra:	Good accessaCarity

DAF LF 55.300 – Panel van

Int. nr.:	542	Volume:	L: 10,8 W: 2,5 H: 3,9
